

**Dr. B. R. Ambedkar Center for Biomedical Research  
University of Delhi. Delhi 110007**

**PG Diploma in Bioinformatics, Computational Biology and Drug  
Discovery**

**Schedule for Mid Term Examination**

Venue: ACBR Seminar Hall

Time: 10 – 11 AM

| <b>Date</b> | <b>Paper No.</b>      | <b>Paper Title</b>   | <b>Teacher</b>                              |
|-------------|-----------------------|--|---|
| 16-11-2023  | 725811101             | Introduction to Bioinformatics, Biological Databases and Data Generation | Dr. Md. Shoaib Khan                         |
| 17-11-2023  | 725811103             | Structural Bioinformatics and Proteome based Technology                  | Dr. Prakash Jha                             |
| 18-11-2023  | 725811102             | Biomolecules, cell biology and molecular biology                         | Dr. Angit/ Dr. S. Dey<br>Prof. Madhu Chopra |
| 20-11-2023  | 72581110 <del>5</del> | Molecular modelling and drug design                                      | Prof. Madhu Chopra                          |
| 21-11-2023  | 72581110 <del>4</del> | Computational Molecular Biology and Computational tools                  | Dr. Md. Shoaib Khan                         |

**You are requested to report at 9.45 AM for the examination.** Attendance in these tests is mandatory. For more details please read the internal Assessment Guidelines available on ACBR website. ([www.acbr.edu](http://www.acbr.edu))

Director

### Internal Assessment Guidelines

1. The attendance marks will be released out of 5 as per the University of Delhi Rules as given below:  
5% weightage will be given for the regularity in attending lectures and tutorials. The credit for regularity in each paper, based on attendance, shall be as follows:

|                                  |         |
|----------------------------------|---------|
| More than 67% but less than 70 % | 1 marks |
| 70% or more but less than 75%    | 2 marks |
| 75% or more but less than 80%    | 3 marks |
| 80% or more but less than 85 %   | 4 marks |
| 85 % and above                   | 5 marks |
2. Internal assessment marks will be given based on one written test (25 marks) and one assignment (25 marks) each in first semester.  
The student has to take BOTH the written test (25 marks) and the assignment (25 marks).  
The average of the marks will be taken out of 25 marks to release the assessment marks
3. NO REPEAT TEST WILL BE HELD FOR THE INTERNAL ASSESSMENT.

Prof. Pratibha Mehta Luthra

Chairperson, Internal Assessment Committee

  
Director
