

**Dr. B. R. Ambedkar Centre for Biomedical Research
University of Delhi, 110007**

Walk in interview

Applications are invited for the following assignment in a purely time-based research project.

1.	Name of the post	Junior research fellow (JRF)
2.	Number of Posts	One (01)
3.	Place of working	ACBR, Delhi university, North Campus -07
4.	Name of the research Project	Protein Covalent modification by homocysteine: Understanding the reactivity, toxicity, structure and functional consequences
5.	Name of the Sponsoring Agency	NER-BPMC, Department of Biotechnology (DBT), New Delhi, India.
6.	Duration of project	21 months
7.	Emoluments (fixed) per months	Rs 25000+30% HRA
8.	Essential Qualifications	Candidates should have M.Sc. in Life Sciences/ Biotechnology/ Microbiology/Biomedical Sciences/Medical Biotechnology with 60% of minimum marks.
9.	Desirable Qualification (not mandatory)	Experience in Biophysical and Biochemical techniques (such as absorption and fluorescence spectroscopy, etc.), working knowledge of computers (MS Office, Internet etc)

- Interview will be held at Dr. B. R. Ambedkar Centre for Biomedical Research (ACBR), University of Delhi, Delhi 110007. No TA/DA will be paid for attending the interview.
- Date and time of interview: 29, May 2018, Timing: 11.30 am
(Note: Only students reporting on/before 11.30 am will be allowed to sit for the interview)
- Candidates should bring their updated C.V. along with all the original degree certificates.
- Candidates should also bring other relevant information (like copies of publication, awards, recommendations etc.)
- For technical information of the project, candidate may contact the Principal Investigator at the below address:

Name: Dr. Laishram R. Singh

Address: Dr. B. R. Ambedkar Centre for Biomedical Research (ACBR)

University of Delhi.

Delhi 110007
